Summary

AWS Certified Front End developer with more than 4 years experience working with HTML, CSS, JavaScript, React, and TypeScript. Proficient with CSS and JS Frameworks, with extensive knowledge of UX and user psychology. I have had the chance to work with very ambitious startups and small/mid-sized businesses around the world. In my spare time I enjoy tinkering with networks, running, learning and I am slowly, becoming a Whiskey fiend.

Languages

JavaScript/TypeScript
Python
Elixir
Rust
